

# Kitchen Rules

1. Please clear all EXCESS FOOD from your plate before putting it into the sink.
2. Do not flush food or solid items down the sink, to avoid BLOCKAGES.
3. Strictly NO OILS, hot or solidifying liquids may be poured down the sink drains.
4. Use refuse bins provided for ALL rubbish and solid items.
5. Always wipe clean the sink and surfaces after every use.
6. Always clean after yourself & Do Not eat food that is not yours..
7. If it smells, throw it away also If it is dirty, wash it.
8. If you take it out, put it back in its place.
9. If you spill any liquid, wipe it out with the mop provided.
10. If you spill food or liquid on the stove or in the microwave while using it, please clean it up.
11. Do not leave empty containers in the fridge.
12. If you find the stove left ON, turn it OFF. Avoid using it as a heater!
13. Defrost fridges by switching it off and allowing it to thaw. Always keep fridge door closed.
14. • Under no circumstances may you place metal (foil, spoons, forks etc.) in a microwave. It will and can explode.
15. Always keep your belongings safe. Remember also that sharing is caring:)
16. Always avoid to lean against the cupboard doors when putting in or taking something out of the cupboard.

**NB: Even if you did not cause the mess, you can assist by cleaning.**

**We are ALL responsible for KEEPING this kitchen neat, clean, safe and usable.**

**Let us do our part!**

**Use water sparingly, ensure taps are left closed and report leaks promptly!.**
